

The 20-th International EURASIP Conference BIOSIGNAL 2010

has been organized by

**Department of Biomedical Engineering
Faculty of Electrical Engineering and Communication
Brno University of Technology**

co-sponsored by

EURASIP - European Association for Speech, Signal and Image Processing

technically co-sponsored by

**IEEE - The Institute of Electrical and Electronics Engineers
Engineering in Medicine and Biology Society**

with student competition- sponsored by

Nikon spol. s r.o. (www.nikon.cz)

GMC company s r.o. - industrial measurement (www.gmc.cz)

A detailed microscopic image showing several thin, vertical glass tubes. The tubes are filled with a clear liquid, and numerous small, spherical bubbles of varying sizes are trapped within the liquid columns. The background is a soft, out-of-focus light gray, highlighting the intricate details of the glass and the fluid dynamics.
